Dear Stuart,

You'll note that you were sending the message to [vice-president@oldla.leg](mailto:vice-president@oldla.leg) (instead of .org).

This is probably the root cause of this issue.

Note, I will send out a link to the webmail page as well as additional information so you will have multiple ways of accessing your email and verifying that your email client is setup correctly on your phone.

Regards,

Gustavo A. Alza, Jr.
